WEBB'S FLORIDA.

Historical, Industrial and Biographical

BY WANTON S. WEBB.

Contains a general review of the State, a detailed account of each County; its boundary, water courses, railroads, topography, soil, productions, prices of land, climate, health, natural fertilizers, fish, game, stock raising, lumber, natural springs; how, when and where to settle; a description of each city, village and country post-office in Florida, down to 1885. The work is 8x12 inches in size, contains over two hundred large double-column pages of solid printed matter, and over one hundred illustrations of Florida scenery, some full page, the whole printed on toned paper, with an elegant illustrated cover, designed by Brannan. The weight of the book is one and a half pounds, and it will be sent to any part of the world, postpaid, on the receipt of ONE DOLLAR, addressed
